Application No. 09/823,940  
Amendment dated January 4, 2007  
After Allowance Under 37 C.F.R. 1.312

Docket No.: 102374-0015

**REMARKS**

This amendment is necessitated by the Examiner's requirement in paragraph 9 of the Notice of Allowability dated October 5, 2006. The amendments strike the term "Appendix" throughout and, thus, better reflect the structure of the specification. This includes moving the paragraph previously located on page 92, beginning on line 12, to follow the paragraph which previously concluded on page 127, line 47. No new matter has been added. The amendments are purely formal in nature and should be entered.

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 141449 referencing docket no. 102374-0015.

Dated: January 4, 2007
